

PENTHOUSE

CINEMA & CAFE

More than just the movies!

The Penthouse Cinema prides itself on providing movie-goers with a friendly, intimate atmosphere in which to view high quality films. There are several big cosy couches around the building for our patrons who wish to curl up with the latest movie magazines. This welcoming and comfortable environment is part of the cinema's unique charm. With the café located just inside the foyer it is hard to walk past without venturing in for a nice coffee or to savour some of our delicious food including our homemade cakes and slices.

A family business since 1975, The Penthouse Cinema and Café is one of Wellington's original Arthouse Cinemas bringing you the magic of the movies in a suburban setting without all the hassles of being in the hustle and bustle of downtown.

FUNDRAISING

Movie Nights are always a good choice for fundraising for your organisation. We have put together an indication of the profit you can make from your movie night.

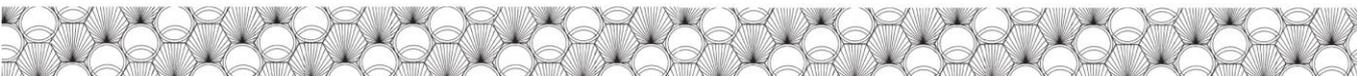

You can sell the tickets at whatever price you choose, but most groups sell tickets for anywhere between \$16.00-\$25.00. The adult ticket price at most cinemas is around \$16.00 and as it is a fundraising event for your organisation, people are happy to pay a little more than usual.

Another way to add profit & fun at minimal cost to fundraising event is to include a raffle in your ticket price and draw it on the night, before your screening. Of course, any additional costs that you may incur such as photocopying, raffle costs etc. will need to be deducted from your profit.

As you can see this is a good way to make some extra money for your organisation. There is a lot less work required than with other fundraising events and it is fun for those who attend!

We look forward to helping you with your event!

Please feel free to contact us on 384 3157 ext 5 or email

We can offer pre-release dates on some titles, so if there is a movie opening soon that you would like to arrange a preview of, please ask and we will enquire on your behalf.
